

Support homeowners and launch your pre-approved ADU program with ease!

STEP 1: SET UP YOUR ACCOUNT We collect basic information and set up your account. You fill in your public profile (logo, contact info, etc.).

STEP 2: SELECT PLANS (OR NOT!) Select prefab and site-built plans from our database for your gallery, or wait for designers to apply.

STEP 3: LAUNCH GALLERY We create, launch, and maintain your gallery including all technical setup and domain renewal.

STEP 4: ADD NEW PLANS After you pre-approve a new plan, hand the designer our instructions, they add it, and you confirm it in your account.
